Mon., March 10 | Elizabethtown Community & Technical College, *Springfield Campus*

Tues., March 11 | Hopkinsville Community & Technical College

Thurs., March 13 | Big Sandy Community & Technical College

9 a.m. -
12:30 p.m.

Regional information sessions for School Districts, Postsecondary Education Preparation Providers and Community Colleges to learn more about how to implement K-12 Educator and Early Childhood Education Apprenticeships.

- Discover how apprenticeships are being utilized to create a sustainable pipeline of new K-12 and pre-school educators!
- Learn from districts, community colleges and education preparation providers on how they created partnerships to implement their successful models!
- There will also be breakout sessions on how Teaching and Learning and Early Childhood Education programs play an important role in this initiative.
- Information will also be provided regarding funding opportunities.
- An agenda and registration link will be available in January.
